

# MAKE EVERY WORKDAY EARTH DAY

[www.ontario.ca/wastereduction](http://www.ontario.ca/wastereduction)

## Careful how you toss your lunch!

Too much food in your recycling bin and presto! Everything in the bin is garbage. Please empty and rinse before you chuck.

Contact building management if you have questions or concerns regarding waste.

**DID YOU KNOW** when you leave pop in the can, you risk contaminating a whole bag of recyclables – sending it all to landfill. What a waste!
